

## The Benefits of Outsourcing Your Event Management Role

### Secure an Expert to Join Your Team

Allow Forums' professionals to be a part of your winning team. Direct us and let us run. We will help you create exceptional experiences for your internal and external clients.

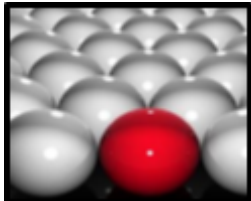

### Immediately Increase Your Bandwidth and Expertise

An integrated approach to meeting management puts your entire meeting planning function in one place. By engaging the Forums detail beasts, you immediately increase your bandwidth to execute flawless events.

### Reap the Benefits of Forums' Buying Power

Forums Meetings & Events produces over 200 events per year. We invite you to take advantage of the relationships we have cultivated and the deep discounts we command due to our volume buying and well-established business integrity. Optimize your ROI.

### We have Mastered Marketing Via Events

Distinguish your product and services using events. We have mastered the use of events for product visibility. Several of our clients attribute events as their most effective marketing method. Let Forums lend our experience to your event solutions.

### Certified Incentive Specialists at Your Fingertips

We strategically help our clients increase revenue and decrease the bottom line by producing incentive programs that focus on revenue and returns.

### A Roadmap to Successful Events

Our clients benefit from the Forums Roadmap: Discovery, Design, Delivery and Results.

You need a precise event with measured ROI. Forums can drive you there.
